

Professional Scalpels and Blades

The Professional Range of blades and handles are produced with Craft 'Professionals' and enthusiasts in mind. They are used in a variety of different industries from Mold Cutting and Jewellery Manufacture to Printing and Artwork.

No.3, **No.5A** and **No.7** handles are available for use with the small (No.3) fitment blades.

No.4 and **No.6A** handles are available for use with the larger (No.4) fitment blades.

No.5A and **No.6A** are acrylic handles, with a nickel blade fitting that takes standard surgical blades.

Trimaway & Retractable

Trimaway (**2338**) purposely designed as an economic throwaway knife, the Trimaway has a strong nylon-based handle fitted with a fixed surgical quality heavy-duty No.25A blade and comes complete with guard. The Trimaway is particularly suitable for artwork, crafts and model making and the cutting edge requirements of the handy person and D.I.Y. enthusiast.

Plastic Handle with 25A blade

The Retractable (**2339**) is a sleek graphite-finish metal handle offering the added safety of a hand retractable blade mechanism.
